Officers

* Our servers allow you to upload unpaid tickets so they can be paid On-Line.

* You define which violations can be paid online.

* Tickets paid online are available from the payment posting screen leading to quick and easy payment posting and disbursments!

* There is also 24/7 reporting available on which tickets have been paid.

Are you noticing you are spending more time fighting with your computer system instead of concentrating on your task at hand?

Quick-Court makes disbursing payments easy. The system allows you to setup how much money goes to each agency/department, by category and violation! This takes the complication out of disbursing the payments and you are able to get the payment posted and disbursed in just a matter of seconds. This is just one example of how Quick-Court helps you complete the job at hand.
